Remaining Estimate:	0 minutes		
Time Spent:	2 weeks		

Agile

Epic Link:	Shopping experience on the DemoBlaze website.
Sprint:	AML2 Sprint 1

Environment

Windows 10 Home , Google Crome

Description

After complete the "Username" and "Password" input fields, pressing the "Close" button, the register form doesn't return to the default status.
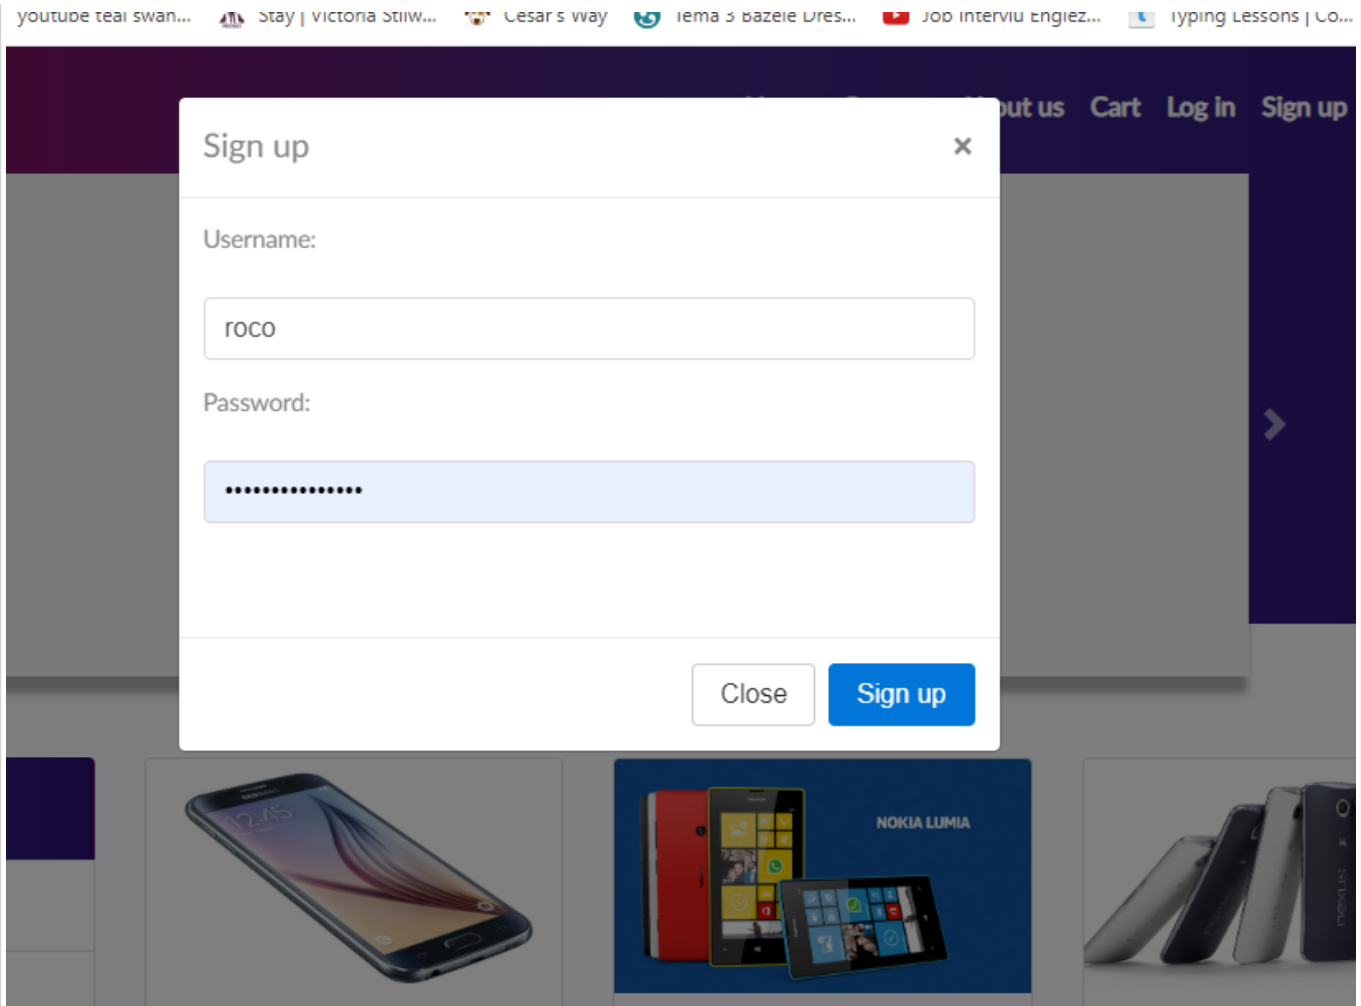

Step to reproduce:

1. the user reached https://www.demoblaze.com/index.html page;
2. click on "Sign up" button;
3. on the register form, complete the "Username" and "Pasword" input fields;
4. click the "Close" button;
5. click again on "Sign up " button;

Expected results: an empty register form should appear;

Actual results: the registration form remains completed filled in with the previous data.
